NEW DATE!!! 23 - 30 MAY 2021!!!

Dear FECC Members & FECC network within FECC Googlegroup

Dear

Host Dies Natalis 2020 - Neuhausen-Spree, Germany 9 - 12 October

Host FECC Convention 2021 - Ptuj Slovenia 23 - 30 May

As we all now get info about Corona of course we have to act in the best way - even if it is very sad to change plans as for example:

- Cancellation of FECC Convention in Ptuj Slovenia 2020.

Nevertheless, we are very grateful that our Host in Ptuj also have been working very hard to find a new solution to Host the:

- FECC Convention 2021 - next year instead - Sunday 23 - Sunday 30 May 2021

Those members that already have paid their convention fee will be contacted by the Host regarding refund.

For already bought flight tickets you have to contact your travel agency/airline/travelinsurance company. Let's hope the best.

All FECC International Board members together with our Audit Committee and Peter Balogh recommended and decided to accept the offer from our Host in Ptuj.

It is very appreciated that our Host in Ptuj have worked out this solution.

The Board meeting planned to take place 6 April in Rakovica, Belgrade, Serbia is cancelled.

Our host in Ptuj has therefore suggested that they can Host next FECC Board meeting in the last weekend in May if it will be possible depending of the Corona situation.

We want from FECC International Board, Audit Committee and Peter Balogh express our great gratitude for the way City of Ptuj and Organizing Committee has handled this very difficult situation.

Even more impressive that Ptuj also offers to give a new date for FECC Convention.

Special thanks for all your outstanding efforts to;

Nuška Gajšek, Mayor of Ptuj

Branko Brumen, President of Convention Organizing Committee

Tanja Srečkovič Bolšec, Director of Ptuj Tourism Public Institute

Andrej Klasinc, President FECC Slovenia

Romana Simonič, Ptuj Tourism Public Institute

Our next FECC Member meeting will therefore be:

FECC Dies Natalis 2020 Neuhausen Spree, Germany - More info will follow

- Friday 9 October - Monday 12 October - Neuhausen Spree, Germany
