Postponement of Dies Natalis 2020

Dear Lars Algell,

I am very sad to inform you, that, due to COVID-19-restrictions that are still given by our government, we have to postpone our Dies Natalis festivity, planned for October 2020.

Due to the cancellation of Ptuj in May 2020, we are still no member of the FECC. Furthermore the COVID-19-situation forced us to pause preparation. We do not see a way to organize the event in such a short time.

Above all it is unsure, if carnivalists from all countries can enter Germany by October 2020. To plan an event for inclusively everybody, we decided to announce a postponement of the Dies Natalis in Neuhausen/Spree to October 2021. The official date of the Dies Natalis 2021 will be October, 8th – 10th 2021, if the board agrees.

For the time being I wish you all the best and within these times more than ever good health!

Best regards from Neuhausen/Spree

Dieter Perko
Mayor of Neuhausen/Spree
