Zielona Góra, 21 August 2021

Dear Mr. Lars Algell, FECC President

Following the recommendation of the FECC Vice President Mrs. Marion Hirche, the City of Zielona Góra/Poland wants to invite the members of FECC to Zielona Góra.

We want to welcome the FECC members in our city of wine for Dies Natalis 2021 from October 8th to October 11th 2021.

We do not have carnival in our city but we have many music and theatre groups. There also majoretts. They all take part at our big parade during our One-Week-Wine-Party every September. In the surroundings of Zielona Góra we have lots of wineries.

We want to learn to know all things about carnival. Zielona Góra is a city with lot of young inhabitants. That's why we are interested in contacts to people from other countries. We think Dies Natalis is a good opportunity to make contacts to people from all over the world.

With hope of FECC admittance and the invitation to the Dies Natalis 2021.

Sincerely yours
