

Comune di Sona

Dear friends,

As Mayor of Sona, I am glad to invite you to the FECC Dies Natalis, which will be held in Sona, from 10 to 13 October 2025.

We have prepared a very interesting program together with the association Carnevale Benefico "Lo Tzigano" and two other important associations of our Municipality: the association Turistica Pro Loco Sona and the association Gemellaggi "Sona verso il Mondo".

The Municipality of Sona is located in a privileged position halfway between the city of Verona and Lake Garda and in those days we will take you to visit these wonderful places.

We will introduce you to Sona and its surroundings and we will spend fun evenings in very suggestive places of our Municipality, in the typical spirit of Carnival.

Attached you will find the official program of the FECC Dies Natalis 2025, together with the registration form, which you can fill out on paper or online on Google form.

The Carnival spirit that unites us all is a great opportunity to get to know each other, be together and share experiences, to feel like one European people, in a historical moment where this is very important.

I look forward to seeing you in Sona next October.

Kind regards.

Sona, June 20, 2025

*Gianfranco Dalla Valentina*

Mayor of Sona
